Overview

In this section, we provide an overview of the Moneris Gift Card Program.

Gift Card program

The Moneris Gift Card program allows you to sell stored-value cards for future purchases in your store. Gift cards can help to boost sales, extend your product line and build your brand.

Gift card entry options

There are two ways to perform transactions with a gift card using the terminal:

Swipe

1. Wait for the SWIPE OR ENTER CARD prompt to appear on the terminal display.
2. Swipe the card on the terminal's magnetic stripe reader.

Manual entry

You may manually enter the card number.

Note: When keying in the card number for a Purchase or a Void, you will also be prompted to swipe your POS Admin card.

1. Wait for the SWIPE OR ENTER CARD prompt to appear on the terminal display.
2. Key in the card number and press the green  key.

Gift card transactions

In this section, we go over everything you need to know regarding gift card transaction processing on the iCT250 terminal.

Hints and shortcuts

Review the following hints and shortcuts for using the Gift Card program on your Moneris terminal (and PINPad, if applicable).

iCT250 Terminal

iPP320 PINpad

Hints

- All instructions in this guide begin at the debit/credit READY screen. To access this READY screen from any other screen, press the red  key repeatedly until the READY screen appears.
- If Tip Entry (for Gift Card program) is enabled on your terminal, during gift card Purchases your customers must respond to Tip prompts on the terminal or the external iPP320 PINpad if attached.

Navigating through the terminal menus

Press  to scroll down and highlight menu items.

Press  to scroll up and highlight menu items.

Press the green  key to select the highlighted menu items.

Admin code shortcuts

To bypass scrolling through menus to select a transaction, use the Admin codes to jump directly to the transaction. Admin codes can be found in this guide in square brackets beside the transaction name (e.g. GIFT PURCHASE [300] means the Admin code for initiating a gift card Purchase is 300).

- To use an Admin code:
 - a. Press the  key until the ENTER ADMIN CODE prompt appears.
 - b. Key in the Admin code, and press the green  key.
- To print a list of all gift card Admin codes:
 - a. Press the  key until the ENTER ADMIN CODE prompt appears.
 - b. Key in **340**, and press the green  key.

Gift card transactions

Gift Configuration Report [316]

This report prints parameters for each Gift Card program that was downloaded to the terminal during its last initialization to the Moneris host.

You can view the card code (e.g. 101) and the card description/program name (e.g. Acme Gift Card program) on the report.

Note: *If you also have a Moneris Loyalty program on your terminal, loyalty card transactions will be included in this report.*

1. From the READY screen, press the  key.
2. On the MAIN MENU, select **ERNEX** and press the green  key.
3. On the ERNEX menu, select **REPORT FUNCS** and press the green  key.
4. On the REPORT FUNCS menu, select **CONFIG LIST** and press the green  key.
The terminal prints the report and returns to the ERNEX menu.
5. To return to the READY screen, press the red  key.

End-of-day process

Merchant Close

IMPORTANT: When you close the batch for your debit and credit card transactions, the **CLOSE ERNEX BATCH?** prompt may appear. If this prompt appears, select **NO** then ensure that you close the batch for your gift card transactions immediately as instructed below.

Closing a batch [399]

This transaction closes the current batch of gift card transactions and settles with the Moneris host.

Important: A Batch Close must be completed daily.

Note: We recommend printing a Stored gift card Transactions Report (see page 25) **before** performing a Batch Close to ensure batch totals are balanced. If totals are not balanced, please contact the Moneris Merchant Service Centre.

1. At the READY screen, press the  key.
2. On the MAIN MENU, select **ERNEX** and press the  key.
3. On the ERNEX menu, select **REPORT FUNCS** and press the  key.
4. On the REPORT FUNCS menu, select **CLOSE BATCH**.
If ENTER CLERK ID appears, key in the Clerk ID and press the  key.
5. At the CLOSE BATCH? prompt, select **YES** to close the batch and have funds deposited to your account.
The terminal communicates with the Moneris host, closes the batch, prints a gift Batch Close Totals Report and returns to the ERNEX menu.
6. Press the  key to return to the READY screen.

Important: If “Balanced – NO” is printed at the bottom of the report, contact the Moneris Merchant Service Centre the next day for reconciliation assistance.

Troubleshooting

If an error message appears, first press the  key or the  key to clear the message then retry the transaction. If the error message reappears and is listed in the table below, follow the instructions in the table's Solution column. If the problem is still not resolved, call the Moneris Merchant Service Centre toll-free at [1-866-319-7450](tel:1-866-319-7450).
